Metropolitan Chicago Synod Bishop Yehiel Curry, portion of assembly intro

Discipleship was front and center at this year's synod assembly as we focused on the second part of our synod mission statement: "In Jesus'

Name. Proclaim the Gospel. **Make Disciples.** Do Justice." This statement as an assembly theme has proven to be sturdy, inspiring, and open to creativity.

With more than 400 in attendance, we spent considerable time during our one-day assembly asking the question: **How is God making disciples in the Metropolitan Chicago Synod?** In our plenaries and workshops, worship and conversations over coffee and meals, we learned from one another how we're doing just that.

DISASTER RELIEF

Exacerbated by strong winds, wildfires on Maui have claimed dozens of lives and have destroyed homes, businesses and lines of communication. **The Big Island of Hawaii** has also been impacted by wildfires, and more islands remain vulnerable to additional fires this season.

[Lutheran Disaster Response is prepared to accompany our neighbors in Hawaii impacted by these wildfires. Will you consider a gift today?](#)

Lutheran Disaster Response is coordinating with the Pacifica Synod and other partners to assess the needs of people impacted by the wildfires. We will work with them to provide for immediate needs and long-term recovery amid the widespread destruction. Lutheran Disaster Response is committed to accompanying recovering communities in the years ahead.

Labor Day Facts

Labor Day, celebrates American workers and their past and current contributions to the success of our country. The first Labor Day took place on September 5, 1882 in New York City. The Central Labor Union of New York organized a parade of thousands of union members from all trades that culminated in a picnic for the members and their families. This form of celebration gained popularity across the country – by 1894, over 30 states had recognized Labor Day as a holiday. On June 28, 1894, President Grover Cleveland signed a law officially making the first Monday of September a national holiday.

In its earliest form, Labor Day consisted of street parades and picnics exhibiting the strength and number of local labor unions. Prominent citizens made speeches at these festivities, and the Sunday before Labor Day was often dedicated to the educational and spiritual element of the organized labor movement.
